

Take Action!

Policymaker

You create the conditions for people to live sustainable lives. You take on critical roles from establishing policies and regulation, to leading by example, to driving innovation, to outreach. As a national government or regional policymaker, you set the direction for others to follow.

Resources for you:

Resources from OneEarth Living, with partners:

- [Policy Pathways to 1.5 Degree Lifestyles](#) – resources for European Union policymakers to communicate and implement policies for sustainable lifestyles.
- [7 Motivations for Lighter Living Action](#) – exploring the “why” behind sustainable lifestyles and behaviours that can guide policy and citizen engagement.

Other resources:

- [1.5 Degree Lifestyles: Targets and Options for Reducing Lifestyle Carbon Footprints](#) – a guide for national governments to meet the Paris climate goals through contributions from lifestyle changes.
- [Enabling Sustainable Lifestyles in a Climate Emergency](#) – a policy brief offering insights on what forces shape our lifestyles and how to shape our values and norms to economic factors and government regulations, underpinned by the physical infrastructure within which we live.
- [Sustainable Lifestyles and Education Hub: Policy Guidance](#) - guidance for policymakers to create enabling environments for sustainability learning and make sustainable lifestyles a common norm.
