

Take Action!

Sustainable Living Leader

You are working day in and day out on the challenge and opportunity of sustainable living. The world is increasingly leaning on you for guidance on how to rapidly build a good life for all within the Earth's means.

Resources for you:

Resources from OneEarth Living, with partners:

- **Beacon for Sustainable Living** – an initiative led by OneEarth and Hot or Cool to support sustainable living leaders with fresh approaches and solutions.
- **Fostering and Communicating Sustainable Lifestyles** – a guide to build engagement campaigns that advance **sustainable ways of living** - with **16 cases** from around the world.

Other resources:

- **Sustainable Lifestyles and Education Programme** – the UN One Planet Network's programme to implement Sustainable Development Goal 12 and foster uptake of sustainable lifestyles as the norm through global partners, also see this **hub**.
- **Shift 1.5 Network** – a community of practice accelerating the adoption of a sustainable “good life” through collective local action in different countries, guided by Finnish SITRA methods.
