

Take Action!

Community Champion

You work in your community to make lives better. You're a champion in your own way or combine different approaches – getting your hands dirty, connecting people, exploring issues, resisting, nurturing, communicating. You champion the needs and aspirations of your community and take action to make sustainable living happen.

Resources for you:

Resources from OneEarth Living, with partners:

- Sustainable Lifestyles: Options and Opportunities – examples of proven actions creating and inspiring more sustainable lifestyles in a **city / community** or in a **workplace**.
- **Lighter Living Action Pack for Neighbourhoods** – a toolkit for making a difference where you live through high-impact actions you can take by yourself, with a few others or with your neighbourhood.
- **Co-Creating Sustainable Ways of Living: 17 Stories of On-the-Ground Innovations** - inspiration from 17 projects investigating and testing pathways to sustainable living in the Global South.

Other resources:

- **UNESCO Green Citizens** – profiling examples of impactful local and international initiatives drawing on the energy and determination of citizens bringing positive change
- **Transition Network** – a movement of communities coming together to reimagine and rebuild our world with resources and examples.
